

2nd Newsletter of E-MPROVER Project

The "E-MPROVER" project, launched in December 2019 was continuing during the pandemic period with some changes for the schedule of activities.

The partner organizations cooperated in realizing the E-MPROVER Guide with 3 Modules ("How to plan an online business", "How to manage an online business", "Using ICT to promote and sell on the internet"). The modules are available on the project site <https://emproverproject.eu/>

The modules will assure the base for the platform that will be used by youth and youth workers that are interested in learning/teaching the online entrepreneurship. The access on the platform will be open and the used of it will be guided by the Online Training Virtual Tutorial.

Between 30th-31st August 2021 were took place the second transnational management meeting of partners, hosted by the Institute of Entrepreneurship Development (Greece).

During the meeting, were analyzed the project results till that moment, was decided the new project schedule and replanned the learning activity that will be hosted by INFOLOG (Italy) and the last transnational meeting that will be hosted by INERCIA DIGITAL (Spain).
